NEBRASKA MASTER NATURALIST

Explore. Contribute. Connect.

EXPLORE alongside natural resource professionals
CONTRIBUTE through exciting volunteer opportunities
CONNECT with others who share your passion

Since 2010 Nebraska Master Naturalists have provided 80,000 hours in volunteer service and nature conservation, valued at over \$2,500,000! Master Naturalists learn about Nebraska Ecosystems, Plants, Animals, Interpretation, and much more!

Master Naturalists reach thousands of Nebraskans through programs in *Interpretation and Outreach*, *Citizen Science Research*, *Resource Management*, and *Outdoor Skills*, supporting a dedicated network of conservation organizations statewide.
Make a difference in your community!
